

How can adaptive leadership help your organisation address today's diversity and inclusion challenges?

The Swedish Chamber of Commerce in Hungary and DUTCHAM warmly invite you to their next CEO & HR workshop:

“WE ARE ALL INDIVIDUALS” – The Transformative Power of Adaptive Leadership

30 September 2026, 8.30 – 11.00

Hear practical experiences and best practices from leading companies including **Friesland, IKEA, K&H and Transcom**, and explore **how adaptive leadership** can help organisations respond **more effectively to different workplace diversity and inclusion challenges**.

Participants will also take part in **an interactive workshop** focusing on three practical areas:

- **Inclusion of employees with disabilities and reduced work capacity**
- **Cultural diversity**
- **Diversity in cafeteria and benefits**

The workshop will provide an opportunity to exchange experiences, discuss practical approaches and learn from different perspectives – with a strong focus on what can work in practice.
