WOMEN IN TECHNOLOGY

The Swedish Chamber of Commerce in Hungary (SCCH), WeAreOpen (WaO) and Sigma Technology Hungary cordially invite you to a special event exploring how more women can be encouraged to pursue careers in technology.

ABOUT FEMMEGINEERING BY SIGMA

Femmegineering is Sigma's global initiative designed to build a community of female tech professionals and promote a more equal and inclusive tech industry. We do this through inspiring events, career stories, and strong partnerships.

VENUE

Residence of the Ambassador of Sweden,
1125 Budapest, Diana utca 16/C.

Advance registration is required by 5 November 2026.

Participation is free of charge for SCCH and WeAreOpen members, as well as Sigma Technology partners. As seating is limited, registrations will be confirmed on a first-come, first-served basis, with a maximum of two participants per company.
